BUT THREE FAILED

Undertakers Numbering 135
Passed the Examination.

TO HOLD QUIZZES YEARLY

Committee Will Meet Number
of Times This Spring.

Out of 135 undertakers who took the examination given them by the committee appointed by the state board of health, but three failed to pass. The examination was a practical one and was considered quite difficult. The undertakers complimented the committee upon the list of questions prepared and pronounced them good. These examinations will be probably continued yearly under the auspices of the state board of health and they will be made harder year after year as the men have time to brush up in the fine arts of the business.

The committee will conduct examinations in a number of places in the state this spring, so that those who did not attend the association meeting here will have a chance to demonstrate their knowledge of the business. The time and places follow: Atchison, April 5; Iola, May 15; Concordia, Colby, Hays City, Dodge City and Ness City, June 5; Topeka, June 7.

The examining committee will make its report to the state board of health at its regular meeting in June. Those forming the committee are: H. W. Gates, Rosedale; J. B. Hawthorn, Hiawatha; T. J. Barkley, Topeka; J. M. Doyle, Belleville; G. S. Uehling, Abilene.

The last of the undertakers left the city this morning. They all had a good word to say regarding Wichita and the treatment they received here and were anxious to have an opportunity to attend another meeting of the association in this city.
